RESPONSE TO "NOTICE TO FILE MISSING REQUIREMENTS"

Sir:

We have received a Notice to File Missing Requirements dated May 8, 2001. We are returning herewith a copy of that Notice, accompanied by a Petition under 37 CFR 1.47(b) and a Certification under 37 CFR 3.73(b).

The Notice to File Missing Requirements indicates the requirement that an executed Declaration be filed. Submitted herewith is a Declaration signed by the undersigned on behalf of the applicant, RED SHERIFF, LIMITED.

The Commissioner is hereby authorized to charge \$260 to our Deposit Account No. 02-4270, to cover the Petition fee of \$130 and the surcharge fee of \$130 under 37 CFR 1.492(e) for filing the declaration after 30 months from the priority date. The Commissioner is hereby authorized to charge any additional fees which may be required or credit any overpayment to our Deposit Account No. 02-4270.

TIMELY FILING

The applicant received in error a Notice of Abandonment dated December 13, 2001 for failure to respond to the Notice to File Missing Requirements dated May 8, 2001. The applicant

asserts that the Notice of Abandonment is in error because the first page of the Notice indicates, in bold face type, that the required items must be submitted by 22 or 32 months (where 37 CFR 1.495 applies) from the priority date. The priority date is August 6, 1999, as also indicated on the Notice. 37 CFR 1.495 applies because PCT Chapter II was timely demanded and the U.S. was elected in the Demand. Therefore, the present filing is timely. A copy of the Demand and Notification of Receipt of the Demand are included herewith.

Dated: April 8, 2002

Respectfully submitted,
